INNOVATIVE, TAILORED TRADE EXHIBITION STAND DESIGNS AND CONSTRUCTION

SERVICES

Our specialty lies in creating customized displays for EXHIBITIONS & EVENTS, DESIGNING GRAPHICS and INSTALLATIONS, VARIOUS PRINTING SOLUTIONS, SIGNBOARDS & BILLBOARDS precisely made to your preferences and specifications. We are dedicated to ensuring your projects stand out.

PROJECTS

Upon receiving your specifications and blueprints, we discuss the optimal action plan. We then present design options for your review, followed by building a mock-up. The final Stand/Display item is then constructed for the event and dismantled as per client's choice post event.
